Reference: Mid-Year Report (7/1-12/31/2000)

Dear Secretary,

Enclosed please find an amendment to our 7/1/2000 through 12/31/2000 FEC report that includes the four summary pages (showing no changes in totals) and the pages applicable to the following amendment.

During a review of contributions from American Electric Power Committee for Responsible Government, we discovered that check #2897 deposited during the above period should have been designated toward the general election rather than the primary, as we had reported previously. Our records have been corrected and the corrected page of the FEC report is enclosed.

Please let us know if you require additional clarification or if you have any questions concerning this amendment.

Respectfully submitted,

  
Jerry Bowser  
Treasurer
